

Venture/Troop Hiking Adventure - June 2018

Join us for the ultimate hiking adventure!

We are planning a trip to spend two weeks driving cross country so that we can hike the Grand Canyon, Zion National Park and Bryce Canyon, plus a few other stops along the way. During the trip we will be staying overnight at 8 different BSA camps and camping in the Grand Canyon.

The cost is estimated to be \$750 per person.

Final cost per person will be dependent upon: number of people attending, fundraising efforts, gasoline costs in summer 2018, any other price changes between now and June 2018.

This is considered a high adventure trip, so you must be able to meet the BSA high adventure criteria in order to attend. Please see the Scoutmaster if you have any questions about qualifying for this trip. Keep in mind that most hiking days will range between 5-8 hours of hiking each day and will include serious altitude changes.

Your deposit of \$75 is due by October 30, 2017
