Description

Thanks for being patient as this event incurred some adjustments after it's initial posting.

So what has changed?

- we organized this event as a Fundraiser. It has changed to a Unit Partnership Event which will not make a profit.
- we are issuing refunds for registration fees already collected
- because it's now a Unit Partnership, we must close off participation to the units that already have Scouts registered, only. At this time this includes ***Troops 110, 98, 382, 186, 75,76,56, 93, 326***
- Lunch-The Cooking MB class has been added and will be making Lunch for everyone at no cost. If you have special dietary needs we highly recommend that you bring your own lunch.
- the welding materials fee will be need to be paid directly to the 3rd party instructor at \$5 per Scout
- due to no registrants and limited classrooms we have removed the Indian Lore and Scouting Heritage Classes
- we've changed a few classes to either "AM" or "PM" sessions so you can potentially take more than one class

What is not changing?

- The date and time
- The location
- The offered courses that already had participants registered
- Blue cards will still be provided. Please note, the Eagle Merit Badges will likely not be completed 100% without prior or later "work" being done. Please reference FAQ's for things you can do to be prepared.

Courses being offered:

1. Sustainability* [PM session only]
2. Personal Management* [AM session only]
3. Citizenship In The Nation* [All Day & has prerequisites-see FAQ below]
